Robert Quincey
Chairman, Upper Hardres Parish Council
4 May 2022

Upper Hardres Parish Council

Suggestions for CIL funds

What can CIL be spent on?

The parish or town council must spend the CIL income they receive on:

- the provision, improvement, replacement, operation or maintenance of infrastructure;
or
- anything else that is concerned with addressing the demands that development places on an area.

There are typically three broad categories of infrastructure:

- physical infrastructure - highways, transport links, cycleways, energy supply, water, flood alleviation, waste management
- social infrastructure - education, health, social care, emergency services, art and culture, sports halls, community halls
- green infrastructure - parks, woodlands, play areas, public open space.

We welcome your suggestions -
